Expand Your Pipeline with Non-QM Closed-End Seconds for your clients!

Maximize your clients' equity borrowing power! A primary concern for borrowers is fear of losing their existing interest rate on their Non-QM loan in order to access their equity. A Closed-End Second is a viable solution as it doesn't interfere with their original mortgage terms. Plus, it gives clients the ability to borrow a lump sum all at once.

***HPML High Priced Mortgage loans not eligible. See our Closed-End Seconds Matrix for details.*

Loans originated in US Territories and the following states are ineligible: MI, NJ, NY, TN, TX, WV. Restrictions apply, contact your Account Executive for details. Important to note that a Closed-End Second Mortgage may typically have a higher interest rate than the first lien mortgage.

Intended for use by real estate and lending professionals only and not for distribution to consumers.
